

Study Programmes: Level 1 Diploma Skills for Employment in the Construction Industries

If you are:

- 16-18*
- not in education/employment/training
- interested in a career in the construction industry

IMPACT

... then we have the programme for you!

The Level 1 Diploma in Skills for Employment in the Construction Industry offers a practical introduction to plastering, dry lining and plumbing. You'll also have the opportunity to try out painting, tiling, bricklaying, and more!

The course consists of taught sessions, practical activities within the safety of our fully-equipped construction skills department, and time spent in the workplace with one of our professional construction partners.

You'll also have the opportunity to improve your English and maths grades, (undertaking either a Functional Skills qualification or a GCSE), develop employability skills, and have the chance to gain your CSCS card, which is vital to work on site.

Contact Ellis on **01452 300 255** and say:

"I'm interested in your study programmes"
