

Are you 16-18* years old?

We specialise in providing personalised support to all our young people and supporting their needs and career development.

Our courses include:

Traineeship Programme - Develop the skills needed by employers and workplace experience to enhance your long-term career development and progress you into your chosen career or apprenticeship.

Work Experience Programmes - Get the chance to explore any sector of your choice to support your exciting progression into employment while gaining valuable career experience and direction.

Diploma in Digital and ICT Skills (Level 2) - Looking for the knowledge required to work in the digital world? This course will teach you everything from CAD to social media marketing.

Esports Programme (Level 2) - Experience electronic gaming in different areas to aid progression into employment or further study.

Child Care (Level 1) - Develop the skills and knowledge you need to work with children, from everything from development to health and safety.

Health & Social Care (Level 2) - Designed to give you a broad knowledge of the Health and Social Care sector to assist you into employment or study at a higher level.

Construction & CSCS Programme - To support your progression into Construction by undergoing a construction based placement and sitting your **CSCS Card**.

Business Administration (Level 1) - Providing you with the skills & knowledge essential for a career in Business Administration covering business organisations to an introduction to self employment.

Maths and English (Up to Level 2 & GCSE) - If you have been unable to achieve a GCSE grade 4 or L2 Functional Skills qualification in maths and/or English, PTS will give you the opportunity to gain these valuable qualifications in a supportive environment.

ESOL - Supports young people where English is not their first language.

Illumin8 Additional Needs Programme - Illumin8 supports those young people with EHC Plans or support needs in a smaller group environment suitable for their development.

**If you are up to age 24 and have an Education, Health and Care Plan you may also be eligible for our courses.*

For more information call us on **01452 886 888** to discuss the courses available or visit: **www.prospect-training.org.uk**

All our courses provide you with:

- ◆ A meaningful, valuable and structured placement with an employer
- ◆ A tailored development plan and timetable for you
- ◆ Employability classes to support wider career development
- ◆ Support with improving your maths and English, if you have not already achieved a GCSE grade 4 or L2 Functional Skills qualification
- ◆ Next step planning to discuss your development beyond your programme
- ◆ Online learning options

All of this is delivered in a fun and relaxed environment suited to your learning needs as part of your individual programme.

I have been supported well and been informed and offered further progression routes

Health & Social Care learner

I have progressed and developed my skills and learning

Traineeship learner

I've learnt a great deal more than I expected
